ORGANISERS

National Centre for Quality Management (NCQM)

National Centre for Quality Management (NCQM) was established in 1985 by a group of enlightened industrialists and professionals to spread the culture of quality in Indian economy.

Today, it is one of the premier professional organization engaged in dispensing quality related services to various sectors of Industry through conferences, seminars, training, education, publications, research and advisory services.

NCQM has already conducted more than 1000 programmes and seminars related to Quality Management.

NCQM has its headquarters in Mumbai and extension centers at Ajmer, Gurgaon, Hyderabad, Navi Mumbai, Pune and Rajkot.

Western India Corrugated Box Manufacturers Association (WICMA)

Western India Corrugated Box Manufacturers Association (in short known as WICMA) is an Association of Corrugated Box Manufacturers' of Western India, comprising of states of Maharashtra and Goa. It has at present 300+ members.

WICMA established a R & D Centre (known as WICMA R & D Centre) in the year 1998, with the objective of helping- in terms of technology- manufacturers, users and others connected with corrugated packaging industry.

WICMA R & D Centre, in a short span has blossomed in to a full fledged R & D Centre serving the industry through multiple activities. At present the following activities of WICMA R & D include, among other things, Testing services, Educational Courses & Seminars, R & D Projects, Development of standard test methods, Laboratory Audits, Technical Journal, etc.

The R & D centre is recognized by Department of Scientific and Industrial Research (DSIR), Ministry of Science & Technology, Govt. of India, as 'Scientific & Industrial Research Organisation (SIRO)'. since year 2002. Further, the activities of WICMA R & D, are recognized and endorsed by 'Asian Corrugated Case Association (ACCA)', an association of corrugated box manufacturing countries of Asia, head quartered at Singapore. Some of the advanced educational courses like "Certificate Course in Corrugated Packaging – Automatic Process' are recognized by TAPPI (Technical Association of Pulp & Paper Industries, USA)
