

NATIONAL CENTRE FOR
QUALITY MANAGEMENT

WORKSHOP

ON,

“INTERNAL
AUDITOR
CERTIFICATION
TRAINING”

Friday - Saturday
10th & 11th Oct 2025

9:30 AM to 5:30 PM

**NCQM Learning
Centre,**
Vikhroli West, Mumbai
400079

OBJECTIVE

The program is aimed at building capability on understanding of the New Structure of ISO Management Systems and Effective Audit of these systems.

PROGRAM DESIGN

- Pre-training assignment & Home work
- Classroom Lectures
- Individual & Group Exercises
- Case Studies and Audit Report writing and presentation
- Continuous assessment and Examination

COURSE MATERIAL

- Participants will get customized course material created by NCQM for this program. It will cover ISO Management System Structure, IMS Clauses Overview and details of Internal Audit based on ISO 19011:2018.

SANTOSH KHADAGADE

The Program will be lead by Mr. Santosh Khadagade, Senior Faculty at NCQM who is a Qualified Lead Assessor for ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018 from BVQI.

Mr. Khadagade has over 30 Years of experience in Quality in organizations like BHEL, NCQM, KPMG, Hughes Telecom, Tata Teleservices and Reliance Capital. He has conducted over 30 Internal Auditor Certification programs in last 15 years.

PROGRAM CONTENT

- ISO Standards, Principles, Process Approach, PDCA Cycle and Risk Based Thinking,
- Overview of IMS (ISO 9001:2015, ISO 14001:2015, ISO 45001:2018) Requirements
- ISO 19011:2018: New approach to auditing of management systems, Principles, process approach and risk-based approach
- Audit Planning and preparation
- Audit Execution
- Audit Techniques and Skills
- Audit Report writing and communication,
- Audit finding RCA and closure, Follow-up audit.

INSIGHTS

- Whole new learning about IMS. All clauses, definitions and how can I relate with auditors point.
- This training has taken out my fear about audit. It is a fact finding activity rather than a fault finding activity.

WHO SHOULD ATTEND?

- Ideal candidates for this program are those who would be required to conduct internal audit in their organizations.
- Those who are already conducting internal audit but want to upgrade their knowledge and skills to do an effective internal audit.

CERTIFICATION

Criteria for Internal Auditor

Certification will be:

- Assessment score based on attendance, participation in the training, completion of exercises and home assignment(40 Marks)
- Examination conducted at the end of training (60 Marks)
